Baja Motorsports Recalls Mini Bikes and Go-Carts Due to Fire and Burn Hazards

WASHINGTON, D.C. – The U.S. Consumer Product Safety Commission, in cooperation with the firm named below, today announced a voluntary recall of the following consumer product. Consumers should stop using recalled products immediately unless otherwise instructed. It is illegal to resell or attempt to resell a recalled consumer product.

Name of product: Baja Motorsports Mini Bikes and Go-Carts

Units: About 308,000

Importer: Baja Inc., d/b/a Baja Motorsports, of Phoenix, Ariz.

Hazard: The gas cap can leak or detach from the fuel tank on the recalled mini bikes and go-carts, posing a fire and burn hazard to consumers. In addition, the throttle can stick due to an improperly positioned fuel line and throttle cable, posing a sudden acceleration hazard to consumers.

Incidents/Injuries: The firm has received at least 9 reports of the gas caps leaking and detaching, including one report of a serious fire injury to a child. The firm has also received 25 reports of stuck throttles possibly due to the fuel line and throttle cable being improperly attached with injuries to the face and other parts of the body reported.

Description: This recall involved Baja Motorsports mini bikes with model numbers beginning with HT65, MB165, WR65, MB196, DB30, WR90 and DR90 and go-carts with model numbers BB65, SD65, DN65 and TR65. The model number is located on the mini bikes' fenders and/or decorative fuel tank and on the go-carts' roll cage. They both have black plastic gas caps.

Costco.com ; Amazon.com ; toysrus.com ; northerntool.com; sears.com; and kmart.com

Manufactured in: China
